This Registration Form is for an interim session to occur at The Tenney School between the spring semester and the summer session. The interim session is provided to allow students with unique credit requirements to complete necessary coursework. All coursework will be completed in a one-to-one setting. Specific course times and dates will be established once a student is matched to an instructor.

Each course will cover the equivalent of one semester of material (0.5 high school credit). Students may take up to 2 courses in the interim session. Parents will receive a Report Card. If the student is not enrolled at The Tenney School, an Official Transcript will be sent to schools upon parent request (students are responsible for ensuring home school will grant credit). This fee includes instruction, books, and home room. An additional charge will be levied if students lose or damage their issued textbooks or are required to make up classes due to poor attendance. We are committed to ensuring that all students have a productive and effective academic program. This is an intense compressed academic course. Students who miss any more than two days may not complete the course. Poor student attendance or behavior issues will prohibit us from reaching our goals with your student and the rest of the students in interim session. Students will be required to adhere to The Tenney School Summer School Policies. Students will be registered on a first come/first served basis. **Fees & Refunds:** The deposit is non-refundable. The deposit will be returned in the event we do not have capacity for your student. The remaining tuition will be refunded should you withdraw from the course before May 1st. No refunds will be given for students withdrawing after May 1st. **Inclement Weather:** In the event of inclement weather, you will be contacted via email if the school is closed. **To secure a spot for your student, please return this form, signed by both a parent/guardian and current school official along with a \$500 non-refundable deposit.** Checks should be made out to "The Tenney School," and can be brought to the school office or mailed to the school address (3500 S. Gessner Rd, Houston, TX 77063). The balance of your interim session tuition will be **invoiced on May 1st**. Final scheduling will be completed in May. Please circle the course(s) you'd like to request for your student. Non-credit high school and middle school courses are taken for "Enrichment." Enrichment courses are typically geared to gaps identified on standardized tests. The Tenney School will administer The Stanford Achievement Test for enrichment students who do not have recent standardized test scores.
