Each course will cover the equivalent of one semester of material (0.5 high school credit). Students may take up to 2 courses in the summer session. Parents will receive a report card. An official transcript will be sent to your current school upon parent's request. For each course scheduled, students will be at school for 3 hours each day (8-11 or 11-2). Time block **requests** can be made below. Time in school will be evenly divided between one-to-one class and home room. An additional charge will be levied if students lose or damage their issued textbooks or are required to make up classes due to poor attendance. We are committed to ensuring that all students have a productive and effective academic program. This is an intense, compressed academic course. Poor student attendance and/or behavior issues will prohibit us from reaching our goals with both your student and the rest of the student population. Students will be required to adhere to The Tenney School Summer School Policies. Students who miss any more than two days may not complete the course. Capacity may be limited; students will be registered on a first come, first served basis. **Fees & Refunds:** The deposit is non-refundable. The deposit will be returned in the event we do not have capacity for your student. The remaining tuition will be refunded should you withdraw from the course before June 1st. No refunds will be given for students withdrawing after June 1st. **Inclement Weather:** In the event of inclement weather, you will be contacted via email if the school is closed. **To secure a spot for your student, please return this form, signed by both a parent/guardian and current school official along with a \$500 non-refundable deposit.** Checks should be made out to "The Tenney School," and can be brought to the school office or mailed to the school address (3500 S. Gessner Rd, Houston, TX 77063). The balance of your summer school tuition will be **invoiced on June 1st**. Final scheduling will be completed in June. Please circle the course(s) you'd like to request for your student. Non-credit high school and middle school courses are taken for "Enrichment." Enrichment courses are typically geared to gaps identified on standardized tests. The Tenney School will administer The Stanford Achievement Test for enrichment students who don't have a recent set of standardized test scores.
